

Show Your Lancer Spirit by Accepting The Challenge!

The Challenge: The La Follette Board of Visitors (BoV) has given \$30,000 of cash support to La Follette over the last year and challenge you to join them. If you are ready to take the challenge go to <https://lafollette.madison.k12.wi.us/making-financial-donations-la-follette> for more details. When you make your tax-deductible donation please add 'Class of 1983' to the dedication field. Which La Follette class will donate the most?

How will the gifts be used? You may designate your gift to be used for specific academic fields or athletics; funds raised will be dispersed on a needs basis by La Follette's principal. Gifts that have already been received are being used this summer to build a new greenhouse to support several science and technology classes, allow more kids to participate in Science Olympiad and build a collaboration classroom for the math department. And there are so many more needs to be filled.

What is the La Follette BoV? A group of alumni, parents, retired staff and other supporters that have formed an advisory board called the La Follette Board of Visitors (BoV); they work closely with La Follette's principal Sean Storch to champion La Follette in several ways including fundraising.

If you want more information: Please contact 1975 La Follette Graduate Dan Koellen at phase2682@gmail.com or 916.803.0994

**Class Reunions are a wonderful time to reminisce and appreciate our time at La Follette.
Please consider giving back to La Follette so it can continue to provide direction and support to kids.**
